

Directions for Emergency Exposure

The following actions should be taken:

1. Immediately alert all personnel to evacuate the laboratory.
2. Once everyone is out close the door behind you.
3. Move to a nearby phone and contact Brown University Public Safety at 401-863-4111.
4. Tend to injured or contaminated personnel.
5. Stay in the general area, a safe distance away, and wait for emergency responders.
6. Make a point to introduce yourself to emergency response personnel so that if they have any questions they know who you are.

Non-Emergency Exposure: Please contact EHS (401-863-3353) and your Supervisor for further guidance.
